

Palmerton Borough will implement its street sweeping program on April 1. Signs are posted on streets indicating the parking restrictions, and so remember to check your sign for the date when your street is to be cleaned. Citizens are also reminded that the time change for street cleaning is the same as snow removal -- cars should be moved between 7:00 and 8:00 p.m. the evening before your scheduled sweeping day. This will allow an early start for our street sweeping crew. Clip and save the following listing for your reference.
