

Palmerton Borough will implement its street sweeping program on April 1. Signs are posted on streets indicating the parking restrictions; remember to check your sign for the day your street will be cleaned. Citizens are also reminded the time change for street cleaning is the same as snow removal -- cars should be moved between 7:00 and 8:00 p.m. the evening before your scheduled sweeping day. This will allow an early start for our street sweeping crew. Clip and save the following listing for your reference.
